Courses conducted in Cantonese supplemented with English training materials

For ethnic minorities interested in attending ERB training courses provided to members of the general public and can speak and comprehend Cantonese, please contact the Training Bodies for enquiries.

The Employees Retraining Board

The Employees Retraining Board (ERB) is an independent statutory body established in 1992 under the Employees Retraining Ordinance. The main function of the ERB is to co-ordinate, fund and monitor training courses and services. Its service targets are people aged 15 or above with education attainment at sub-degree or below.

The ERB provides a diverse range of courses under the “Manpower Development Scheme” and appoints about 90 Training Bodies operating around 400 training centres across the territory to offer market-oriented training courses to help trainees map out their progression ladder. The ERB endeavours to provide a flexible, quality and resilient labour force for the knowledge-based economy of Hong Kong.

The ERB is dedicated to assist eligible employees of non-Chinese origin in Hong Kong in gaining job opportunities through appropriate training and employment services, so that they can integrate into the society for the well-being of themselves and their families.

Training Courses

With a view to improving the employability of the ethnic minorities and facilitating their integration into the local community, the ERB provides dedicated training courses delivered in English to suit the aspirations and training needs of the ethnic minorities. To facilitate the attendance of the ethnic minorities who can comprehend Cantonese, courses conducted in Cantonese and supplemented with English training materials are also offered and covered in this Prospectus. Major categories of courses include:

- **Placement-tied Courses:** Placement-tied courses on vocational and professional education and training are generally offered in full-time mode. Courses straddling different industry categories and aiming at equipping eligible trainees with skills required by the market are dedicated for the unemployed. Trainees with an attendance rate of at least 80% in the placement-tied courses are provided with placement follow-up services at least 3 months by Training Bodies to help them re-enter the job market. The courses also include training on personal attributes and job search skills, which aim to enable trainees to strengthen their interpersonal skills and enhance their employment opportunities.
- **“Skills Upgrading Scheme Plus” (SUS Plus) Courses:** SUS Plus courses are part-time non-placement-tied courses provided to eligible clientele including the unemployed and in-service workers. Vocational and professional education and training straddling different industries are provided with the aim of enhancing the skills competency of practitioners and fostering their attainment of multi-dimensional skills. Non practitioners may also enrol in individual courses which provide basic knowledge of the industries. These courses aim to broaden their employment opportunities through training and facilitate their job mobility.
- **Generic Skills Training Courses:** Generic Skills Training courses are part-time non-placement-tied courses on training of transferable skills applicable in different industries including foundation skills (Cantonese, English, Putonghua, and IT Applications) and personal attributes are provided to eligible clientele including the unemployed and in-service workers. To assist trainees to acquire recognised qualifications and enhance their competitiveness, an integrated job-search course named “Employment Set Sail” is also tailored made for the ethnic minorities.
- **Youth Training Courses:** Youth Training Courses are operated in full-time placement-tied mode and offered under the banner of Youth Training Programme. The Youth Training Programme targets at non-engaged youth aged between 15 and 24, with education attainment up to secondary school education. The programme aims to rekindle their desire to learn and further study, and motivate them to actively plan for their future.

Public members may gauge a preliminary understanding of their career aspirations through the use of an ERB online tool named “Training and Career Needs Test” and select a suitable training course accordingly. “Training Consultancy Service” is also available in ERB Service Centres and ERB Service Spots for service targets that require personalised advice on enrolment. For details, please refer to page 3.

Placement Services

All Training Bodies appointed by the ERB provide all trainees who have attained an attendance rate of at least 80% in the placement-tied

courses, with a placement follow-up period of at least 3 months (for placement-tied courses which are conducted in English and suitable for eligible employees in Hong Kong of non-Chinese origin, the placement follow-up period lasts for 6 months). For courses under the “Enhanced Placement Service Model”, the Training Bodies provide enhanced placement and retention services for the trainees who have attained an attendance rate of at least 80% in these courses. Please check with the Training Bodies concerned for follow-up period of each course. During the follow-up period, Training Bodies will regularly contact the trainees to update their employment status. Training Bodies should report the employment details of each trainee to the ERB after completion of follow-up period. Trainees should provide such information to Training Bodies as far as possible.

Qualification and Certification — Qualifications Framework

The “Qualifications Framework” (QF) was established and officially launched by the Government on 5 May 2008. QF-related quality assurance is undertaken by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ). The QF is a cross-sectoral hierarchy designed to put in order qualifications in the academic, vocational and continuing education sectors with a view to facilitating life-long learning and assisting individuals to set personal goals and directions in continuous studies for obtaining recognised qualifications.

Recognised qualifications are uploaded onto the “Qualifications Register” (QR), which is a web-based database on learning programmes leading to such qualifications and the relevant operators, granting bodies, QF Levels, modes of delivery, etc.

To promote recognition of the qualifications of ERB graduates, ERB courses have been submitted to the HKCAAVQ for accreditation. There are now over 300 courses accredited by the HKCAAVQ, which are QF-recognised. Please refer to “ERB Courses on the Qualifications Register” in the last section of the prospectus or visit the QR website at <http://www.hkqr.gov.hk> for more details.

Remarks: The ERB endeavours to ensure the accuracy of all information in this Prospectus. In case if subsequent changes have been made to the course details, such as course content and course fee, and the information on the QR, the ERB’s latest announcements and the information on the ERB website shall prevail. The ERB reserves the right of withdrawing the offering of courses. For enquiries, please call ERB hotline at 182 182 or contact the Training Bodies concerned.

ERB Service Centres

As the district-based window to the courses and services of the ERB, the ERB Service Centres offer diversified self-help and support services to those with training and employment needs. The service targets are people aged 15 or above with education attainment at sub-degree or below. Registration as members is both simple and free of charge.

Course Enquiry and Enrolment Services

The Service Centres provide an overview of courses of the ERB as well as information on courses offered by Training Bodies in the respective districts. The Centres handle general enquiries on training courses and provide direct enrolment service for selective courses offered by Training Bodies in the districts.

Training Consultancy Service

To further assist the users requiring more intensive support and personal advice on ERB courses, service targets who are interested in applying for ERB courses can make use of the “Training Consultancy Service” in each Service Centre. By assessing the training needs and job aspirations of the users through face-to-face interviews, training consultants will provide personalised support and advice on suitable ERB courses to the service users. Those who are interested in the “Training Consultancy Service” can make appointment by calling or visiting the respective Service Centre, ERB Service Spot or booking online through the website www.erb.org/tc.

Training Support Services

The Service Centres provide training-related services to encourage self-enhancement. The Centres offer multi-media computer facilities and make available reference materials and self-learning softwares for use at the reading corners. A variety of workshops including

course and industry seminars, ERB Taster Programmes, workshops on job search skills; generic skills; and topical issues are organised to disseminate information on latest market situation and enhance the generic and vocational skills of the members. Mutual support groups also give advice on training plan and career development and provide emotional support to members.

Employment Support Services

The Service Centres also provide support services for people with employment needs. Job seekers can refer to job cards displayed at the Centres and access the vacancy database of the Labour Department through the vacancy search terminals at the Centres. They can also make use of the office equipment for job applications. Members are welcome to use the self-help “Mock Interview System” to polish their interviewing skills. Industry seminars and job fairs are held from time to time for members to enhance their employment opportunities.

Services for Special Target Groups

To cater for the needs of special target groups such as new arrivals and ethnic minorities, targeted support services including language and generic skills workshops and mutual support groups are also organised by the Service Centres.

 - (ii) aged 15 or above; and
 - (iii) education attainment of sub-degree or below; and
 - (iv) applicants should meet the entry requirements of courses, including industry or occupation specific licensing or statutory requirements.

3. Employees of Training Bodies are not eligible to apply for any ERB courses offered by the concerned Training Bodies.
4. Non-engaged youths aged 15 to 17 who have attained up to secondary school education are advised to apply for the “Youth Training Programme” courses.
5. Applicants of placement-tied courses must be unemployed or non-engaged, and intend to engage in employment in the jobs trained for. Interviews will be conducted by Training Bodies to ascertain such intention.
6. For non-placement-tied courses targeted at the unemployed and those intending to change jobs, interviews may be necessary.
7. To be eligible for class enrolment, applicants must meet the General Admission Criteria and pass the interviews and entry tests (if applicable).

Application Procedures and Supporting Documents Required

8. Course applications should be submitted to the Training Body offering the courses in person or by post. Applications submitted by post should be supplemented with copies of supporting documents specified below. Applicants are required to provide the original supporting documents for verification. Course applications may not be accepted should applicants fail to provide the information or documents required.
 - (i) Proof of being eligible employee of the HKSAR ^{Note 1}
 - Hong Kong Permanent Identity Card or HKSAR Passport, or
 - Hong Kong Identity Card, with HKSAR Document of Identity for Visa Purposes or other travel documents.
 - (ii) Proof of education attainment ^{Note 2}
 - Applicants should submit proof of highest education attained ^{Note 3} issued by the school/institution concerned.
 - (iii) School leaving certification (if applicable)
 - Applicants who graduate or discontinue enrolment from non-ERB full-time education programme within the last 6 months (from the date of application) should provide graduation certificates/letters of withdrawal/leaving certificates issued by the schools/institutions concerned.

- Note 2: Effective from 1 April 2016, applicants who have provided proof of education attainment may be exempted from providing the same proof again on condition that their highest education attainment remains unchanged at the time of course applications.
- Note 3: Highest education attainment refers to the highest level of full curriculum study that applicants are attending or have attended at schools (including cases where the applicants have not completed the study, or are unable to provide proof of education attainment). If an applicant has completed HKDSE (Form 6) level, "Secondary (Year 6)" would be considered as his/her highest education attainment in course applications. Applicants with non-local educational qualification may determine their equivalent local education attainment based on the number of years of school education received. For example, if an applicant has received formal school education for more than 9 years in the Mainland, his/her education attainment may be considered as equivalent to above Form 3.

9. Should applicants fail to provide proof of education attainment at the time of first application, they may make declaration on their highest education attained in the duly signed "Course Application Form", confirming that all information provided is correct and complete. Should applicants wish to amend the highest education attainment previously declared, further declaration would not be acceptable. The ERB will not accept amendment requests without sufficient documentary proof and justifications, particularly requests for downward adjustment of highest education attainment.
10. Applications of persons with disabilities, single parents or Comprehensive Social Security Assistance (CSSA) recipients would be handled with priority should applicants be able to provide valid supporting documents substantiating their status.

Trainees of placement-tied courses should report to Training Bodies as early as possible on any changes in their status of employment (from being unemployed to being engaged in full-time/part-time employment or self-employment) in the course of training. The ERB will re-consider the eligibility of the trainees for enrolment of courses and/or retraining allowances. Trainees failing to do so may contravene Section 25 of the Employees Retraining Ordinance. Any person committing the offence shall be liable on conviction to a fine of \$20,000. In addition, under the Theft Ordinance, Cap. 210 of the Laws of Hong Kong, any person dishonestly obtains for himself or another any pecuniary advantage by deception shall be liable on conviction to imprisonment for 10 years.

Once cancelled, applicants should submit new course applications if they re-apply for the same courses.
- 16. Applicants should cancel their course applications if they become engaged in full-time non-ERB education programme (applicable to applicants of all courses), or become engaged in full-time or part-time employment or self-employment (applicable to applicants of placement-tied courses).
- 17. For enrolled applicants who fail to cancel course applications duly and do not show up for the course, they will (a) not be allowed to enrol in the same course, or courses at similar or lower level of competency in the same discipline; and (b) not be refunded the paid course fees if enrolled in non-placement-tied courses.
- 18. Applications of applicants having rejected enrolment offers for 3 times will be automatically cancelled. For applicants applying for more than 1 placement-tied/non-placement-tied course, the sum of total rejections includes offers made for all of the respective course applications.

Award of Graduation Certificate

- 19. Trainees should attain a minimum of 80% attendance rate before they are allowed to sit for final assessment (including written and

practical skills assessment). Trainees will be awarded graduation certificates upon fulfilment of graduation requirements (including attainment of attendance rate of generally 80% or above, after deducting absence sessions due to lateness, early departures, sick leave or any other reasons; and passing of course assessments). Certificates lost will not be re-issued.

Arrangement of Re-assessment

20. Trainees will be awarded a graduation certificate upon fulfilment of graduation requirements (in general include attainment of required attendance rate and passing marks in relevant assessments) stipulated in individual course outlines. Those who fail to attain passing marks in the final assessment (including written examination and practical skills assessment) are, in general, entitled to two attempts of re-assessments (unless otherwise stipulated) within 6 months upon completion of the final assessment. Please contact Training Bodies for details.

Retraining Allowance

21. Retraining allowance in the following categories will be provided for placement-tied courses with duration of 7 days or more ^{Note 8}.

Placement-tied “Foundation Certificate” courses	All trainees aged 30 or above and with education attainment of F.3 or below	\$153.8
	Other eligible trainees	\$70

Note 8: Placement-tied courses are generally conducted in mixed-mode (i.e. training sessions include full-day (8 hours/day) and half-day (4 hours/day) sessions). Retraining allowance of courses is subject to a maximum amount calculated based on the number of full-day training sessions only.

Criteria for Disbursement of Retraining Allowance

22. Trainees (of placement-tied courses) are eligible for retraining allowance on condition that the sum of the following sessions comprises 80% or higher of the total number of course sessions:
- (i) actual number of course sessions attended (after deducting sessions of late arrivals and early departures); and
 - (ii) sessions of sick leave substantiated by certificates issued by Hong Kong registered medical practitioners (not exceeding 20% of the total number of course sessions).

The exact amount of retraining allowance disbursed to a trainee is calculated on the basis of the actual number of course sessions attended and is subject to the maximum amount stipulated for individual training courses.

23. No retraining allowance will be disbursed to trainees who are approved to take make-up sessions, even if 80% or higher attendance rate is attained upon completion of the make-up sessions.
24. Details on the criteria for disbursement of retraining allowance for “Youth Training Programme” courses and placement-tied courses for persons with disabilities and persons recovered from work injuries could be obtained from the Training Bodies concerned.
25. Trainees are eligible for retraining allowance at a maximum of 2 times within 1 year and 4 times within 3 years (from the commencement date of the first course taken (with retraining allowance disbursed) within the past 1 or 3 years to the commencement date of the current course enrolled).

Trainees may apply for course fee waiver/payment of “Highly Subsidised Fee” under the following conditions:

Type of application	Income level
Course fee waiver	Nil/low income (monthly income ^{Note 9} of \$9,000 or below)
Payment of “Highly Subsidised Fee”	Monthly income ^{Note 9} between \$9,001 and \$19,500

Bonus, double pay, gratuity, etc. should be taken into account in average over the relevant period of employment.

28. Trainees applying for course fee waiver/payment of “Highly Subsidised Fee” are required to provide the supporting documents specified below to Training Bodies. At the time of such application, trainees with income shall provide any one of documents (i) to (iv) specified below ^{Note 10}, and trainees with nil income shall provide either document (v) or (vi) specified below:

CSSA recipients with income are required to submit one of the documents listed in (i) to (iv) above); or
- (vi) trainees with nil income could opt for making declaration in the “Declaration by trainee” in the “Application for Course Fee Waiver/Highly Subsidised Fee” form, to indicate that they have nil income in the latest month. The stipulated latest month shall be the month of or any of the 2 months prior to course commencement.

Note 10: For trainees who have submitted income proof and been approved for course fee waiver or payment of “Highly Subsidised Fee” in previous course enrolment, at time of current course enrolment, if their income level (as stipulated in paragraph 27) remains unchanged and the commencement dates of the

above two courses are within one year, they may be exempted from providing income proof for application for course fee waiver or payment of “Highly Subsidised Fee”. Please make enquiries to Training Bodies for details.

29. The general attendance requirement of ERB courses is at least 80%. Penalties are imposed on those with low attendance:

Placement-tied courses	Non-placement-tied courses (not applicable to trainees who paid the “Normal Subsidised Fee”)
For trainees failing to attain the required attendance rate, their course applications will be suspended for 1 year ^{Note 12} if it is a first time violation, and for 3 years if otherwise.	<p>Trainees are required to pay an amount (in addition to the originally settled course fee, if any) equivalent to the “Highly Subsidised Fee” stipulated at the time of course application. Should trainees fail to settle the fee, their course applications will be suspended for 1 year ^{Note 12} if it is a first time violation, and for 3 years if otherwise.</p> <p>Upon settlement of the fee, trainees would be allowed to enrol in ERB courses again. The ERB reserves the rights to take further action against trainees who fail to settle the fee by the specified deadline.</p>

Note 12: From the date of commencement of the concerned course.

Special Circumstances

30. In the event that trainees fail to attain 80% attendance rate due to illness, accident, hospitalisation, etc., the ERB may consider granting waiver of course fees recovery or restriction on course application. Trainees should report to Training Bodies and provide supporting documents, e.g. medical certificate(s) issued by Hong Kong registered medical practitioners as early as possible. The ERB has the discretion to grant waiver of outstanding course fees or restriction on course application.

Fraud Prevention Measures

31. The ERB conducts sample checks of trainees’ declared education attainment and employment status. Besides, the ERB carries out income surveillance each year. Trainees may be asked to provide income proof at the request of the ERB for this purpose. In this connection, trainees are required to retain the income proof(s) (as stipulated in (i) to (iv) of paragraph 28) relating to the concerned course enrolment(s) for 3 fiscal years (a fiscal year represents the period from April of a year from which trainees enrol in a course to March of the following year). In addition, the ERB will request trainees to provide “Income Proof” issued by the Inland Revenue Department for verification.
