Preface

The Employees Retraining Board

The Employees Retraining Board (ERB) is an independent statutory body established in 1992 under the Employees Retraining Ordinance. The main function of ERB is to co-ordinate, fund and monitor training courses and services. Its service targets are people aged 15 or above with education attainment at sub-degree or below.

ERB provides a diverse range of courses under the “Manpower Development Scheme” and appoints about 90 Training Bodies operating around 400 training centres across the territory to offer market-oriented training courses to help trainees map out their progression ladder. ERB endeavours to provide a flexible, quality and resilient labour force for the knowledge-based economy of Hong Kong.

ERB is dedicated to assist eligible employees of non-Chinese origin in Hong Kong in gaining job opportunities through appropriate training and employment services, so that they can integrate into the society for the well-being of themselves and their families.

Training Courses

With a view to improving the employability of the ethnic minorities and facilitating their integration into the local community, ERB provides dedicated training courses delivered in English to suit the aspirations and training needs of the ethnic minorities. To facilitate the attendance of the ethnic minorities who can comprehend Cantonese, courses conducted in Cantonese and supplemented with English training materials are also offered and covered in this Prospectus. Major categories of courses include:

- **Placement-tied Courses:** Placement-tied courses on vocational and professional education and training are generally offered in full-time mode. Courses straddling different industry categories and aiming at equipping eligible trainees with skills required by the market are dedicated for the unemployed. Trainees with an attendance rate of at least 80% in the placement-tied courses are provided with placement follow-up services at least 3 months by Training Bodies to help them re-enter the job market. The courses also include training on personal attributes and job search skills, which aim to enable trainees to strengthen their interpersonal skills and enhance their employment opportunities.
- **“Skills Upgrading Scheme Plus” (SUS Plus) Courses:** SUS Plus courses are part-time non-placement-tied courses provided to eligible clientele including the unemployed and in-service workers. Vocational and professional education and training straddling different industries are provided with the aim of enhancing the skills competency of practitioners and fostering their attainment of multi-dimensional skills. Non practitioners may also enrol in individual courses which provide basic knowledge of the industries. These courses aim to broaden their employment opportunities through training and facilitate their job mobility.
- **Generic Skills Training Courses:** Generic Skills Training courses are part-time non-placement-tied courses on training of transferable skills applicable in different industries including foundation skills (Cantonese, Chinese, Putonghua, and IT Applications) and personal attributes are provided to eligible clientele including the unemployed and in-service workers. To assist trainees to acquire recognised qualifications and enhance their competitiveness, an integrated job-search course named “Employment Set Sail” is also tailored made for the ethnic minorities.
- **Youth Training Courses:** Youth Training Courses are operated in full-time placement-tied mode and offered under the banner of Youth Training Programme. The Youth Training Programme targets at non-engaged youth aged between 15 and 24. The courses, which are more suitable for applicants who have attained up to secondary school education, aim to stimulate the youth’s desire to learn and motivate them to actively plan for their career. A wide variety of courses are offered to cater for their diverse

interests. With enhanced self understanding, trainees will be able to unleash their potential for career development or further studies.

Public members may gauge a preliminary understanding of their career aspirations through the use of an ERB online tool named “Training and Career Needs Test” and select a suitable training course accordingly. “Training Consultancy Service” is also available in ERB Service Centres and ERB Service Spots for service targets that require personalised advice on enrolment. For details, please refer to page 3.

Placement Services

All Training Bodies appointed by ERB provide all trainees who have attained an attendance rate of at least 80% in the placement-tied courses, with a placement follow-up period of at least 3 months (for placement-tied courses which are conducted in English and suitable for eligible employees in Hong Kong of non-Chinese origin, the placement follow-up period lasts for 6 months). For courses under the “Enhanced Placement Service Model”, the Training Bodies provide enhanced placement and retention services for the trainees who have attained an attendance rate of at least 80% in these courses. Please check with the Training Bodies concerned for follow-up period of each course. During the follow-up period, Training Bodies will regularly contact the trainees to update their employment status. Training Bodies should report the employment details of each trainee to ERB after completion of follow-up period. Trainees should provide such information to Training Bodies as far as possible.

Qualification and Certification — Qualifications Framework

The “Qualifications Framework” (QF) was established and officially launched by the Government on 5 May 2008. QF-related quality assurance is undertaken by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ). The QF is a cross-sectoral hierarchy designed to put in order qualifications in the academic, vocational and continuing education sectors with a view to facilitating life-long learning and assisting individuals to set personal goals and directions in continuous studies for obtaining recognised qualifications.

Recognised qualifications are uploaded onto the “Qualifications Register” (QR), which is a web-based database on learning programmes leading to such qualifications and the relevant operators, granting bodies, QF Levels, modes of delivery, etc.

To promote recognition of the qualifications of ERB graduates, ERB courses have been submitted to the HKCAAVQ for accreditation. There are now over 300 courses accredited by the HKCAAVQ, which are QF-recognised. Please refer to “ERB Courses on the Qualifications Register” in the last section of the prospectus or visit the QR website at <http://www.hkqr.gov.hk> for more details.

Remarks: ERB endeavours to ensure the accuracy of all information in this Prospectus. In case if subsequent changes have been made to the course details, such as course content and course fee, and the information on the QR, ERB's latest announcements and the information on ERB website shall prevail. ERB reserves the right of withdrawing the offering of courses. For enquiries, please call ERB hotline at 182 182 or contact the Training Bodies concerned.

ERB Service Centres

As the district-based window to the courses and services of ERB, ERB Service Centres offer diversified self-help and support services to those with training and employment needs. The service targets are people aged 15 or above with education attainment at sub-degree or below. Registration as members is both simple and free of charge.

Course Enquiry and Enrolment Services

The Service Centres provide an overview of courses of ERB as well as information on courses offered by Training Bodies in the respective districts. The Centres handle general enquiries on training courses and provide direct enrolment service for selective courses offered by Training Bodies in the districts.

Training Consultancy Service

To further assist the users requiring more intensive support and personal advice on ERB courses, service targets who are interested in applying for ERB courses can make use of the “Training Consultancy Service” in each Service Centre. By assessing the training needs and job aspirations of the users through face-to-face interviews, training consultants will provide personalised support and advice on suitable ERB courses to the service users. Those who are interested in the “Training Consultancy Service” can make appointment by calling or visiting the respective Service Centre, ERB Service Spot or booking online through the website www.erb.org/tc.

Training Support Services

The Service Centres provide training-related services to encourage self-enhancement. The Centres offer multi-media computer facilities and make available reference materials and self-learning softwares for use at the reading corners. A variety of workshops including course and industry seminars, ERB Taster Programmes, workshops on job search skills; generic skills; and topical issues are organised to disseminate information on latest market situation and enhance the generic and vocational skills of the members. Mutual support groups also give advice on training plan and career development and provide emotional support to members.

Employment Support Services

The Service Centres also provide support services for people with employment needs. Job seekers can refer to job cards displayed at the Centres and access the vacancy database of the Labour Department through the vacancy search terminals at the Centres. They can also make use of the office equipment for job applications. Members are welcome to use the self-help “Mock Interview System” to polish their interviewing skills. Industry seminars and job fairs are held from time to time for members to enhance their employment opportunities.

Services for Special Target Groups

To cater for the needs of special target groups such as new arrivals and ethnic minorities, targeted support services including language and generic skills workshops and mutual support groups are also organised by the Service Centres.

Application Guidelines

Eligibility

1. General Admission Criteria for all courses of the Employees Retraining Board (ERB):
 - (i) eligible employees of the Hong Kong Special Administrative Region (HKSAR) (i.e. lawfully employable and not subject to conditions of stay, including permanent residents of the HKSAR and new arrivals); and
 - (ii) aged 15 or above; and
 - (iii) education attainment of sub-degree or below; and
 - (iv) applicants should meet the entry requirements of courses, including industry or occupation specific licensing or statutory requirements.
2. Students engaging in non-ERB full-time education programmes are not eligible to apply for ERB courses.
3. Employees of Training Bodies are not eligible to apply for any ERB courses offered by the concerned Training Bodies.
4. Non-engaged youths aged 15 to 17 who have attained up to secondary school education are advised to apply for the “Youth Training Programme” courses.
5. Applicants of placement-tied courses must be unemployed or non-engaged, and intend to engage in employment in the jobs trained for. Interviews will be conducted by Training Bodies to ascertain such intention.
6. For non-placement-tied courses targeted at the unemployed and those intending to change jobs, interviews may be necessary.
7. To be eligible for class enrolment, applicants must meet the General Admission Criteria and pass the interviews and entry tests (if applicable).

Application Procedures and Supporting Documents Required

8. Applicants are required to complete the Course Application Form and provide the following original supporting documents. Course applications may not be accepted should applicants fail to provide the information or documents required.
 - (i) Proof of being eligible employee of the HKSAR ^{Note 1}
 - Hong Kong Permanent Identity Card or HKSAR Passport, or
 - Hong Kong Identity Card, with HKSAR Document of Identity for Visa Purposes or other travel documents.
 - (ii) Proof of education attainment ^{Note 2}
 - Applicants should submit proof of highest education attainment ^{Note 3} issued by the school/institution concerned.
 - (iii) School leaving certification (if applicable)

- Applicants who graduate or discontinue enrolment from non-ERB full-time education programme within the last 6 months (from the date of application) should provide graduation certificates/letters of withdrawal/leaving certificates issued by the schools/institutions concerned.

(iv) Proof of work experience or professional qualification/certification (if applicable)

- Applicants should provide proof of work experience or professional qualification/certification as specified in the entry requirements of courses. Examples of proof include: letter from employer, employment contract, work/service agreement, staff identification card, valid industry-specific registration, licence, salary statements, MPF statements, Smart Helper Card, etc.

9. Applicants may submit course applications to the Training Body offering the courses:

- in person — applicants should bring along the original supporting documents required to the Training Body; or
- by post — applicants should submit completed application forms supplemented with copies of supporting documents required to the Training Body. Applicants are required to provide the original supporting documents before class commencement.

Note 1: Trainees may be required to provide proof of eligible employee of the HKSAR during classes for verification of identities by staff of ERB.

Note 2: Effective from 1 April 2016, applicants who have provided proof of education attainment may be exempted from providing the same proof again on condition that their highest education attainment remains unchanged, except in cases where proof of education attainment are required by the training courses.

Note 3: Highest education attainment refers to the highest level of full curriculum study that applicants are attending or have attended at schools (including cases where the applicants have not completed the study, or are unable to provide proof of education attainment). If an applicant has completed HKDSE (Form 6) level, "Secondary (Year 6)" would be considered as his/her highest education attainment in course applications. Applicants with non-local educational qualification may determine their equivalent local education attainment based on the number of years of school education received. For example, if an applicant has received formal school education for more than 9 years in the Mainland, his/her education attainment may be considered as equivalent to above Form 3.

- Should applicants fail to provide proof of education attainment at the time of first application, they may declare their highest education attainment in the duly signed "Course Application Form", confirming that all information provided is correct and complete. Any subsequent changes to highest education attainment previously declared must be supported by documentary proof and justifications (further declaration is not acceptable). ERB will normally not accept requests for downward adjustment of highest education attainment.
- Persons with disabilities, single parents or Comprehensive Social Security Assistance (CSSA) recipients may request for priority handling of course applications if they provide valid supporting documents substantiating their status.

Restrictions on Application and Enrolment

12. Applicants may opt for either of the following arrangements:

- to apply for 2 placement-tied courses with the same Training Body, and more than 1 evening foundation skills training (i.e., Workplace Languages, IT Applications, and Business Numeracy) course at any one time; or
- to apply for more than 1 non-placement-tied course with the same Training Body at any one time.

13. If applicants, upon submission of course applications, engage in non-ERB full-time education programmes, engage in training courses above sub-degree level, become employees of the Training Body offering the course applied, or engage in full-time/part-time employment or self-employment (applicable to placement-tied courses), they should cancel their course applications. If trainees encounter the above status changes while enrolling in ERB courses, they should notify Training Bodies as early as possible. ERB will re-consider trainees' eligibility for course enrolment and/or retraining allowance.

Placement-tied Courses

14. Restrictions on application and enrolment are as follows:

- (i) Applicants can enrol in no more than 2 placement-tied courses ^{Note 4} within 1 year (from the date of application to the commencement date of the first placement-tied course enrolled within the past 12 months).
- (ii) Applicants can apply for 2 placement-tied courses but cannot enrol in both at the same time. Once they are enrolled in one of the courses, the other course application would be cancelled.
- (iii) Applicants ^{Note 5} can only apply for another placement-tied course or retake the same placement-tied course when the placement follow-up period of the previously enrolled placement-tied courses has lapsed.
- (iv) Only trainees who have completed the course (attained attendance rate of at least 80%) but failed in all attempts of final assessments of the course can retake the course once ^{Note 6}. Courses offered under "Youth Training Programme" cannot be retaken under any circumstances.
- (v) Applicants are not allowed to apply/enrol in courses at similar or lower level of competency in the same discipline as the course(s) previously enrolled ^{Note 4}.
- (vi) Trainees are only allowed to enrol in courses offered under "Youth Training Programme" once.

Non-placement-tied Courses

15. Restrictions on application and enrolment are as follows:

- (i) Applicants can enrol in non-placement-tied courses ^{Note 4} for a total of no more than 150 hours within 1 year (from the commencement date of the course to the commencement date of the first non-placement-tied course enrolled within the past 12 months). Application will not be accepted if the 150-hour limit is reached at time of application.
- (ii) Trainees can enrol in more than 1 non-placement-tied course at any one time, given that these courses are enrolled with the same Training Body and that there is no time clash.
- (iii) Trainees can retake once ^{Note 6}: (a) courses which they have completed (attained attendance rate of at least 80%) but failed in all attempts of final assessments; and (b) "Skills Upgrading Scheme Plus" courses ^{Note 7} taken 4 or more years ago (from the date of application to the commencement date of the courses taken).
- (iv) Applicants are not allowed to apply/enrol in courses at similar or lower level of competency in the same discipline as the course(s) previously enrolled ^{Notes 4 and 7}.

Note 4: Including enrolled but no show, or low attendance cases.

Note 5: Including applicants who fail to complete the previously enrolled placement-tied courses.

Note 6: Standing policy on admission requirements, restrictions on application and enrolment, and arrangements on retraining allowance at times of retake shall apply.

Note 7: Including the "Skills Upgrading Scheme" courses.

Cancellation of Course Application/Enrolment

16. Cancellation of course applications should be made in person or in writing to the Training Bodies offering the courses. Once cancelled, applicants should submit new course applications if they re-apply for the same courses.
17. Applicants may reject enrolment offers for up to 3 times, upon which the course applications will be cancelled. For applicants applying for more than 1 placement-tied/non-placement-tied course, the sum of total rejections includes offers made for all of the respective course applications.
18. For enrolled applicants, cancellation of course applications or class enrolments must be made in no less than 3 working days prior to the date of course commencement. Late cancellation will not be accepted.
19. For enrolled applicants who fail to cancel course applications or class enrolment duly and do not show up for the course, they will (a) not be allowed to enrol in the same course, or courses at similar or lower level of competency in the same discipline; and (b) not be refunded the paid course fees if enrolled in non-placement-tied courses.

Award of Graduation Certificate

20. Trainees should attain a minimum of 80% attendance rate before they are allowed to sit for final assessment (including written and practical skills assessment). Trainees will be awarded graduation certificates upon fulfilment of graduation requirements (including attainment of attendance rate of generally 80% or above, after deducting absence sessions due to lateness, early departures, sick leave or any other reasons; and passing of course assessments). Certificates lost or damaged will not be re-issued.

Arrangement of Re-assessment

21. Trainees will be awarded a graduation certificate upon fulfilment of graduation requirements (in general include attainment of required attendance rate and passing marks in relevant assessments) stipulated in individual course outlines. Those who fail to attain passing marks in the final assessment (including written examination and practical skills assessment) are, in general, entitled to two attempts of re-assessments (unless otherwise stipulated) within 6 months upon completion of the final assessment. Please contact Training Bodies for details.

Retraining Allowance

22. Retraining allowance in the following categories will be provided for placement-tied courses with duration of 7 days or more ^{Note 8}.

Training courses	Trainees	Retraining allowance per day
"Youth Training Programme" courses	All eligible trainees	\$30
Placement-tied "Certificate" or "Diploma" courses	All eligible trainees	\$70
Placement-tied "Foundation Certificate" courses	All trainees aged 30 or above and with education attainment of F.3 or below	\$153.8
	Other eligible trainees	\$70

Note 8: Placement-tied courses are generally conducted in mixed-mode (i.e. training sessions include full-day (8 hours/day) and half-day (4 hours/day) sessions). Retraining allowance of courses is subject to a maximum amount calculated based on the number of full-day training sessions only.

Criteria for Disbursement of Retraining Allowance

23. Trainees of placement-tied courses are eligible for retraining allowance on condition that the sum of the following sessions comprises 80% or higher of the total number of course sessions:
- (i) actual number of course sessions attended (after deducting sessions of late arrivals and early departures); and
 - (ii) sessions of sick leave substantiated by certificates issued by Hong Kong registered medical practitioners (not exceeding 20% of the total number of course sessions).

The exact amount of retraining allowance disbursed to a trainee is calculated on the basis of the actual number of course sessions attended and is subject to the maximum amount stipulated for individual training courses.

24. No retraining allowance will be disbursed to trainees who are approved to take make-up sessions, even if 80% or higher attendance rate is attained upon completion of the make-up sessions.
25. Details on the criteria for disbursement of retraining allowance for “Youth Training Programme” courses and placement-tied courses for persons with disabilities and persons recovered from work injuries could be obtained from the Training Bodies concerned.
26. Trainees are eligible for retraining allowance at a maximum of 2 times within 1 year and 4 times within 3 years (from the commencement date of the first course taken (with retraining allowance disbursed) within the past 1 or 3 years to the commencement date of the current course enrolled).

Course Fees of Non-placement-tied Courses

Payment Procedures

27. Training Bodies shall inform successful applicants of the course commencement dates, course fees and payment method. Course fees payable by the applicants are stipulated at the time of course application. Fees paid are not refundable.

Application for Course Fee Waiver/Payment of “Highly Subsidised Fee”

28. Upon receipt of enrolment notification, trainees may apply for course fee waiver or payment of “Highly Subsidised Fee” according to their income levels. Trainees should complete the application procedures and pay the relevant course fee prior to class commencement. The eligibility criteria for course fee waiver/payment of “Highly Subsidised Fee” are as follows:

Type of application	Income level
Course fee waiver	Nil/low income (monthly income ^{Note 9} of \$11,000 or below)
Payment of “Highly Subsidised Fee”	Monthly income ^{Note 9} between \$11,001 and \$19,500

Note 9: Income denotes wages and salary from employment (including being employed and self-employed), net business income and pension. Income from employment and self-employment includes basic pay, overtime pay, bonus, commissions, allowance(s) and payment in lieu of annual leave, etc., with the deduction of 5% contributions to MPF/ORSO. Bonus, double pay, gratuity and payment in lieu of annual leave, etc. should be taken into account in average over the relevant period of employment.

29. Trainees applying for course fee waiver/payment of “Highly Subsidised Fee” are required to provide the supporting documents specified below to Training Bodies. At the time of such application, trainees with income shall provide any one of documents (i) to (iv) specified below ^{Note 10}, and trainees with nil income shall provide either document (v) or (vi) specified below:

Trainees with income

- (i) payroll slip of the month of or any of the 2 months prior to course commencement ^{Note 11}; or
- (ii) certification letter issued by current employer specifying salary of the month of or any of the 2 months prior to course commencement ^{Note 11}; or
- (iii) bank passbook/statement showing payroll records of the month of or any of the 2 months prior to course commencement ^{Note 11}; or
- (iv) statutory declaration statement administered by the Home Affairs Department declaring trainee’s latest monthly income level at the time of declaration. The stipulated month of income shall be the month of or any of the 2 months prior to course commencement ^{Note 11}.

Trainees without income

- (v) documents issued by the Social Welfare Department regarding Comprehensive Social Security Assistance (CSSA) Scheme (either “Notice of Consent on Application” or “Certificate of CSSA Recipients (for Medical Waivers)” is acceptable), indicating that trainee’s receipt of CSSA is still valid on the date of course commencement (Note: This document is not applicable to CSSA recipients with income. CSSA recipients with income are required to submit one of the documents listed in (i) to (iv) above); or
- (vi) trainees could opt for making declaration in the “Declaration by trainee” in the “Application for Course Fee Waiver/Highly Subsidised Fee” form, to indicate that they have nil income in the latest month. The stipulated latest month shall be the month of or any of the 2 months prior to course commencement.

Note 10: For trainees who have submitted income proof and been approved for course fee waiver or payment of “Highly Subsidised Fee” in previous course enrolment, if their income level remains unchanged and the commencement dates of the previous and current courses are within one year, they may be exempted from providing income proof. Please make enquiries to Training Bodies for details.

Note 11: For example, for course commences in April this year, relevant month of the document required as mentioned in (i), (ii), (iii) or (iv) above, or month stated in the “Declaration by trainee” shall be February, March or April of the year.

Trainees with Low Attendance

Trainees with Attendance Rate Below 80%

30. The general attendance requirement of ERB courses is at least 80%. Penalties are imposed on those with low attendance:

Placement-tied courses	Non-placement-tied courses (not applicable to trainees who paid the “Normal Subsidised Fee”)
For trainees failing to attain the required attendance rate, their course applications will be suspended for 1 year ^{Note 12} if it is a first time violation, and for 3 years if otherwise.	Trainees are required to pay an amount (in addition to the originally settled course fee, if any) equivalent to the “Highly Subsidised Fee” stipulated at the time of course application. Should trainees fail to settle the fee, their course applications will be suspended for 1 year ^{Note 12} if it is a first time violation, and for 3 years if otherwise.

Placement-tied courses	Non-placement-tied courses (not applicable to trainees who paid the “Normal Subsidised Fee”)
	Upon settlement of the fee, trainees would be allowed to enrol in ERB courses again. ERB reserves the rights to take further action against trainees who fail to settle the fee by the specified deadline.

Note 12: From the date of commencement of the concerned course.

Special Circumstances

31. In the event that trainees fail to attain 80% attendance rate due to illness, accident, or other special circumstances, ERB may consider granting waiver of course fees recovery or restriction on course application. Trainees should report to Training Bodies and provide supporting documents, e.g. medical certificate(s) issued by Hong Kong registered medical practitioners as early as possible. ERB has the discretion for the granting of waivers.

Fraud Prevention Measures

32. ERB conducts sample checks of trainees’ declared education attainment and employment status. Besides, ERB carries out income surveillance each year. Trainees may be asked to provide income proof at the request of ERB for this purpose. In this connection, trainees are required to retain the income proof(s) relating to the concerned course enrolment(s) for 3 fiscal years (a fiscal year represents the period from April of a year from which trainees enrol in a course to March of the following year). In addition, ERB will request trainees to provide “Income Proof” issued by the Inland Revenue Department for verification. Trainees not providing the “Income Proof” and/or other required information upon request will be put on the watch list. For trainees on the watch list, their course applications for non-placement-tied courses will be suspended until “Income Proof” and/or other required information is provided and no violation is found.
33. Trainees who, in the absence of a legitimate defence, are proven to have provided false information in order to enrol in ERB courses or to receive a higher level of retraining allowance, may be disqualified from: (a) enrolment in course(s); and (b) disbursement of retraining allowance or course fee waiver, payment of “Highly Subsidised Fee”, whichever is applicable. In addition, they are required to offset the cost of courses and/or return the retraining allowance to ERB.
34. ERB also reserves the right to report the cases to the law enforcement Government department(s) for investigation and legal actions. Pursuant to Section 25 of the Employees Retraining Ordinance, any person committing the offence shall be liable on conviction to a fine of \$20,000.
