The Employees Retraining Board (ERB) has set up ERB Service Spots in New Territories including Kwai Tsing, Tsuen Wan and Sha Tin districts in collaboration with social service organisations. They provide enquiry and enrolment services for ERB courses, organise industry seminars and taster courses, and assist members of the public to register for ERB Training Consultancy Service. Staff of the operators will be present at each ERB Service Spot on a regular basis to provide personal assistance.

Service Highlights

Course Information

Each ERB Service Spot is equipped with the ERB Training Net course search terminal for the public to browse the latest ERB course information.

Course Enquiry and Enrolment

Staff of the operator regularly station at each ERB Service Spot to address enquiries on ERB courses, assist members of the public in enrolment, and receive course application forms.

Industry Seminars and Taster Courses

Industry seminars and taster courses are organised on a regular basis to provide information of different industries and allow the public to experience ERB courses.

Booking of Training Consultancy Service

The public can sign up for the Training Consultancy Service by using the ERB Training Net course search terminal or through the staff of the operator. Training consultants will advise on suitable ERB courses through face-to-face interviews and assessments.

ERB is a statutory body established in 1992 under the Employees Retraining Ordinance. ERB co-ordinates, funds and monitors training courses and services provided by about 80 training bodies. The service targets of ERB are people aged 15 or above with educational attainment at sub-degree level or below. ERB provides around 700 training courses that are market driven and employment-oriented straddling 28 industries and various areas of generic skills. ERB helps trainees map out progression ladders and nurtures more talents for various industries.
