The Employees Retraining Board (ERB) has set up ERB Service Spots in Kowloon East including Wang Tai Sin, Kwun Tong and Sai Kung districts in collaboration with social service organisations. They provide enquiry and enrolment services for ERB courses, organise industry seminars and taster courses, etc., and assist members of the public to register for “Training Consultancy Service”. Designed activities are organised for ethnic minorities. Staff of the operators will be present at each ERB Service Spot on a regular basis to provide personal assistance.

Services include

Course Enquiry and Enrolment

Staff of the operator regularly station at each ERB Service Spot to address enquiries on ERB courses, assist members of the public in enrolment, and receive course application forms. Each ERB Service Spot is also equipped with “ERB Training Net” Course Search Terminal for the public to browse the latest ERB course information.

Industry and Course Seminars

Industry seminars and taster courses, etc. are organised on a regular basis to provide information of different industries and allow the public to experience ERB courses.

Sign up Training Consultancy Service

The public can sign up for the Training Consultancy Service by using the “ERB Training Net” Course Search Terminal or through the help of the operator staff. Training consultants would provide consultation service and give advice on training courses through interviews and assessments.

ERB is a statutory body established in 1992 under the Employees Retraining Ordinance. ERB co-ordinates, funds and monitors training courses and services provided by about 80 training bodies. The service targets of ERB are eligible employees of Hong Kong aged 15 or above. ERB provides around 700 training courses that are market driven and employment-oriented straddling 28 industries and various areas of generic skills. ERB endeavours to provide skills-based training to help trainees map out their progression ladder and nurture more talents for various industries.
