

I am writing to send my heartfelt thanks and high regards for Miss Vivian Man who took good care of my baby and me during July, 2016 to October, 2016. She is an experienced lady who can provide a lot of information after my pregnancy. She gave me advice and opinion about how to take care of my baby. She has a great sense of responsibility so my baby feels safe and comfortable. Also she takes a heart to look after my baby. I highly appreciate what she did these days.

I am very impressed. Miss Man has shown her kindness and patience to my baby. She is really professional and she is willing to share all her knowledge with me. I am glad to learn a lot from her. Finally I want to express my gratitude to Miss Man again.

Best wishes and warm regards,
