

Jennifer is a great Pui Yuet. She is very caring & very thoughtful with the baby and with taking care of me. She is also a great cook. She enjoys cooking and really puts a lot of thought into preparing the meals for me. I enjoyed the food & the special soap she prepares. She is very knowledgeable with taking care of newborn, and she keeps up-to-date with the latest techniques and products that are good

for the baby and mom. Her cooking really helped me with the breast feeding process, I was able to produce a lot of milk for my baby. He grew from 6.75 lbs to 19 lbs by 3 months. Her food also really help nourish me & allow me to recover from my C-section very quickly. She is so great we extended her service to 2 full months and a few days a week for third month. I highly recommend her as your Pui Yuet.
